

KTM Back to School Wish Lists by Class and Program

As a Parent Teacher Organization (PTO), we do all that we can to support our teachers and students. As the school year begins and you find yourself shopping for supplies, please keep these grade level and program "wish lists" in mind. In addition, **teachers need parent volunteers** to help in the classrooms for various functions and events on an as needed basis. Please contact your child's teacher to sign up or return classroom volunteer flyer.

Thank you in advance for your considered donation!
